The Edge Group Announces the Addition of New Preferred Supplier ScanSource

(HOUSTON, July, 2021) – *The Edge Group announced the addition of ScanSource, Inc. as the organization's newest preferred supplier.*

The Edge Group, a leading distributor-owned buying and marketing group in several industries, announced the addition of ScanSource, Inc. (NASDAQ: SCSC) as the organization's newest preferred supplier. ScanSource, which is based in Greenville, South Carolina, is one of the world's leading providers of technology products and solutions.

For almost 30 years, ScanSource has been delivering best-of-breed technology products, along with the highest level of service and support to their customers. Their commitment to growth and to their partners has been unwavering for more than two decades.

“Having ScanSource as part of the Edge Roster will be very beneficial for the entire group”, said Don Koehler, Edge Group’s Sr. Vice President of Sales. “The breadth of their line card featuring industry leading suppliers gives the Edge members a complete technology solution to serve their customers.”

About ScanSource, Inc.

ScanSource, Inc. (NASDAQ: SCSC) is at the center of the technology solution delivery channel, connecting businesses and providing solutions for their complex needs. ScanSource sells through multiple, specialized routes-to-market with digital, physical and services offerings from the world’s leading suppliers of point-of-sale (POS), payments, barcode, physical security, unified communications and collaboration, telecom and cloud services. ScanSource enables its sales partners to create, deliver and manage solutions for end-customers across almost every vertical market. Founded in 1992 and headquartered in Greenville, South Carolina, ScanSource was named one of the 2019 Best Places to Work in South Carolina and on FORTUNE magazine’s 2020 List of World’s Most Admired Companies. ScanSource ranks #654 on the Fortune 1000. For more information, visit <http://www.scansource.com>.

About The Edge Group

The Edge Group, founded in 1990, is a distributor-owned buying and marketing group with the strength, inventory, and sales equivalent to those of national distributors with more than \$1.2 billion in annual buying power. The group has over 1200 stocking locations throughout the U.S. and Canada representing more than 200 supplier lines serving the datacom, security, low voltage, AV, electronic MRO, and electronic OEM industries.
